(PART TIME CONSIDERED)

**ALL APPLICATIONS WELCOME! IF YOU'RE AN EXPERIENCED PHYSIOTHERAPIST GREAT, BUT NEW GRADS OR RECENT GRADS SHOULDN'T HESITATE TO APPLY**

Like us, you'll be committed to quality outcomes and be passionate about Musculoskeletal Rehabilitation and have a strong desire to use and progress your skills. We will fully support your ongoing Professional Development and you'll get total commitment and support from us to achieve and be the best you can be as a MSK Physiotherapist.

## ABOUT US

At our busy and progressive clinic you'll be part of a team of 5 physiotherapists. Alongside, we have a team including a Pilates Instructor, Massage Therapists, 2 person Office/Reception team, a Yoga Instructor and a Personal Trainer.

The Therapists you will be working alongside have skills and qualifications in manual and manipulative therapy, acupuncture and dry needling, and Pilates.

Our purpose built facility houses a fully equipped functional gym that runs various classes to assist rehabilitation.

The clinic uses FMS, SFMA, MovNat, and Mackenzie assessment/treatment protocols to get the best outcome for the patients.

We have a strong focus on Manual Therapy, and correction of Dynamic Functional Movement Patterns via exercise.

Your case load will include sports, work, and home based injuries. It will include acute injuries, post-operative cases, multi trauma, chronic pain, and reoccurring problems.

Hawera Physiotherapy has close association with southern Rugby teams and South Taranaki Netball and sporting teams. Opportunities to work closely with these teams will be available.

Our referrals come from our 12 local Hawera GPs, GPs in the neighbouring towns of Opunake, Stratford, and New Plymouth. We have a strong connection with the orthopaedic teams who are based in New Plymouth with satellite clinics in Hawera.

## WHAT WE CAN OFFER YOU

- Your own treatment room
- Appointment times according to your level of experience (40-60 mins for initial, 20-30 mins for follow ups)
- Administrative time is scheduled within your timetable.
- A full mentoring programme with senior experienced therapists
- Financial assistance with appropriate CPD activities

We love our practice, and the community we live and work in.

We can't wait to meet you and chat.
